

# Legislative Bill 10

**Introduced by:** Sponsor

**FOR AN ACT** relating to the Nebraska Rules of the Road.

1 Section 1. Any person who operates a vehicle in violation of any maximum speed limit established for any  
2 highway or freeway is guilty of a traffic infraction and upon conviction shall be fined:

- 3 a) \$10 for traveling 1-5 mph faster than the speed limit;  
4 b) \$25 for traveling 6-10 mph faster than the speed limit;  
5 c) \$75 for traveling 11-15 mph faster than the speed limit;  
6 d) \$125 for traveling 16-20 mph faster than the speed limit;  
7 e) \$200 for traveling 21-35 mph faster than the speed limit; and  
8 f) \$300 for traveling more than 35 mph faster than the speed limit.

9  
10 Section 2. Fines prescribed in Section 1 shall be doubled if the speeding violation occurs within a road  
11 construction zone where workers are present.

## **FISCAL NOTE**

Fiscal Year 2009-10		Fiscal Year 2010-11	
Expenditures	Revenues	Expenditures	Revenues
\$35,000	\$0	\$0	\$0

The Department of Roads estimates that it would incur \$35,000 in expenses to change border and construction zone signs to indicate that fines are to be doubled only when workers are present.

## **STATEMENT OF INTENT**

*Requires construction workers for doubling of speeding fines* – LB10 requires workers to be present in road construction zone for speeding fines to be doubled.
